

Junior Category Garment Judging Sheet Instructions

If the work is exemplary, give a 1 in the YES column

If the work is good, but not exemplary give $\frac{1}{2}$ in the YES column

If the item is not done well, give 0

Explain $\frac{1}{2}$ or 0 points in comments section

Still give creativity points if earned

Use half points to show an area of judging that would be a 0 for an adult but is still great work for a child

This will give a better picture on where improvement is needed for the children to work on for the next project they may submit
